LORI H.

Lori has been a proud and active member of the Colts Neck, NJ Group of Families Anonymous for the last 14 years. For the last 10 years, she has been privileged to serve as the secretary for the group. Working to grow their group has at times presented challenges. She has engaged in extensive community outreach, speaking to other families at different in- and out- patient facilities explaining to them why FA was so important in their lives.

Before COVID hit, she was part of a small group of members from the Colts Neck Group that established an amazing beginner's group to introduce new members into the FA way of life. It served to educate their newest members on the fundamentals of the program and the 12 Steps.

Lori also virtually attends the FA Group in Wellington, Florida and assists in leading meetings.

In 2015, she worked on different committees that planned the Annual FA World Service Convention that took place in Livingston, New Jersey. It was a huge success.

Lori feels that the FA program has changed her life forever and she is grateful for the lessons she has learned.
